Product Suitability

Many localities have codes and regulations governing sales, construction, installation, and/or use of products for certain purposes, which may vary from those in neighbouring areas. While CST attempts to assure that its products comply with such codes, it cannot guarantee compliance, and cannot be responsible for how the product is installed or used. Before purchase and use of a product, please review the product application, and local codes and regulations, to be sure that product, installation, and use will comply with them.

Force Majeure

CST shall not be liable for any delay in, or impairment of performance resulting in whole or in part from fires, floods, accidents, riots, acts of God, war, invasion, sabotage, governmental interference, strikes, labour difficulties, shortages of labour, fuel, power, materials or supplies or any other cause or causes beyond reasonable control of CST in the conduct of its business.

Cancellation or Returns

Any cancellation or return must be approved by CST and must follow the protocol as described in the CST Return Material Policy.
