

Canada Sensors Technology Inc.

Manufacturer of Advanced Technology Pressure & Level Transmitters

CANADA SENSORS TECHNOLOGY INC.

QUALITY POLICY

Canada Sensors Technology Inc. is committed to providing the highest level of product quality and customer service. To demonstrate this commitment Canada Sensors Technology Inc. operates a Quality Management System that ensures compliance with the requirements of ISO 9001:2015 and relevant legislation. This system is regularly reviewed to ensure that it remains effective and that continual improvement is achieved in key areas of its business.

Canada Sensors Technology Inc. recognizes that everyone at CST contributes in achieving its business objectives and therefore provides them with the resources and support that they require.

Our Quality Policy is defined and strongly driven by the following management principles and behaviors:

- Build a mutually profitable relationship with our customers, ensuring their long-term success, through the understanding of their needs and the needs of their customers as well
- Achieve our commitments for quality, cost, and schedule
- Enhance the systematic research and use of best preventive practices at all levels and ensure reliable risk management
- Drive continual improvement and innovation based upon efficient business processes, well-defined measurements, and best practices
- Develop competencies, creativity, empowerment and accountability through appropriate programs and show strong management involvement and commitment
